Suranaree University of Technology Announcement
Subject: List of Selected Candidates Eligible for Graduate Studies
Trimester 1 Academic Year 2025

Suranaree University of Technology has completed the selection process for admission to graduate studies for the 1st trimester of the academic year 2025. The university has now considered and announced the list of eligible candidates for enrollment, as attached.

All selected candidates are required to register as new students and enroll according to the following schedule and procedures:

1. **Online new student registration period: June 23 – 27, 2025.**
2. **Steps for online new student registration**

    2.1 Check your student ID number at http://sutgateway.sut.ac.th.

    2.2 Login to the registration system at http://reg.sut.ac.th as follows:

    1) Enter your student ID number and password (Use passport ID number).

    2) Select the menu for new student registration, complete the personal information form, and confirm the information.

    3) Upload proof of completion of a bachelor's or master's degree.

    4) Check the upload status. If any corrections are needed, they must be completed.

3. **File upload instructions**: Scan documents and save them as a PDF file, not exceeding 2.50 MB. All documents must be uploaded before the trimester begins.

    3.1 **Official transcript:** The transcript must show the date of graduation approval (must be stamped with the institution's seal). The approval date should not exceed two weeks after the trimester start date.

    3.2 **Leave of study approval** (for those who have requested leave to study, this document is required from the relevant organization).

    3.3 **Copy of passport** (for international students).

    3.4 **If your official transcript is not yet approved, you must:**

    1) Submit a request for delayed submission of new student documents. The request form can be downloaded from http://sutgateway.sut.ac.th.

    2) Submit the official transcript within four weeks from the start of the trimester.

For students who fail to complete the online new student registration within the specified period, please contact the Admissions Department, Educational Service Center at 044-223026, 044-223014, Monday – Friday, 8:30 AM – 4:30 PM.

4. **Course registration**: Register for courses within the university's specified timeline according to the academic calendar at http://reg.sut.ac.th.

After the deadline of the online new student registration period, if the transcript with the graduation approval date has not been uploaded, the registration will be considered incomplete. If it is later found that the selected candidate does not meet any of the eligibility criteria or if any information or documents submitted are found to be false, the candidate will be disqualified. If the candidate has already been admitted, their student status will be revoked, and no fees will be refunded under any circumstances.

Announced on   16 June 2025
