**Suranaree University of Technology Announcement**  
**Regarding the criteria for evaluating academic performance for graduation**  
**and awarding honors degrees. For courses that evaluate academic performance using**  
**letter grades . O, S, U - the entire course.**

**B.E. 2569 (2026)**

---

It is deemed appropriate to establish criteria for evaluating academic performance for graduation and awarding honors degrees for programs where academic performance is evaluated using letter grades O, S, and U throughout the program.

Pursuant to the authority granted by Sections 21 and 24 of the Suranaree University of Technology Act B.E. 2533 (1990 ) , in conjunction with the Suranaree University of Technology Council Order No. 40/2568 concerning the appointment of an Acting President, dated November 14, 2568 (2025 ) , and the resolution of the Suranaree University of Technology Academic Council Committee at its meeting No. 1/2569 on January 15 , 2569 (2026) , the following criteria for evaluating academic performance for graduation and awarding honors degrees are hereby announced. For courses where academic performance is evaluated using a letter grade system (O, S, U) for the entire program, the following are the options:

**Clause 1** The academic evaluation criteria for graduation and honors degrees, as stated in this announcement, apply only to programs where academic performance is evaluated using a letter grading system of O , S , and U for the entire program.

**Clause 2** The criteria for evaluating course performance in the curriculum and the assignment of grades are used solely for the consideration of graduation and the awarding of honors degrees. Details are as follows:

Letter Grades	Grade Points Equivalent
O (Outstanding)	4.00
S (Satisfactory)	2.75
U (Unsatisfactory)	0.00

**Clause 3** Guidelines for awarding honors degrees.

Students eligible to receive an honors degree must meet the qualifications as per the Suranaree University of Technology Regulations on Undergraduate Studies, specifically the section regarding the awarding of honors degrees, which was in effect at that time.

This applies from the 2025 academic year onwards.

Announced on January 25, 2026 .
